ADHAM TAREK

Front-End Developer | E-Commerce Solutions | Agile Development | Bug Fixing Expertise

📞 +201015710812   @ adhamtarek291@gmail.com   📍 Cairo, Egypt

SUMMARY

I am a Front-End Developer with a proven ability to collaborate effectively with senior developers while spending extra time to be mentored. I enjoy working closely with team members to ensure workloads are effectively redirected to bottlenecks, and I personally pick up the slack when necessary. With a passion for both personal growth and software development, I strive to improve continuously.

EXPERIENCE

Front-End Developer Freelancer

Upwork

📅 03/2022 - 01/1970   📍 Remote

Freelance Front-End Developer

- Maintained 20+ web pages, graphics, and online marketing materials under direction of UX manager and development team.
- Created and maintained front-end code for 40+ e-Commerce websites (re-designs, seasonal updates, production work).
- Produced and assisted in the deployment of 6 online marketing initiatives, including banner advertisements.
- Identified and implemented dynamic web solutions in accordance to company standards and best practices.
- Assisted the development team in developing 6 WordPress sites with testing, deployment, and updates.
- Led troubleshooting, fixed 1,000+ bugs and other issues, and updated sites throughout production lifecycle.

Front-End Developer Intern

Algoriza

📅 03/2021 - 06/2022   📍 Remote

Internship in Front-End Development

- Assisted the development team in maintaining 8 websites.
- Implemented front-end technical solutions to meet project requirements for creation of 5 new web pages.
- Ensured 6 unique projects complied with correct technology processes, industry best practices, and company standards.
- Conducted research and assisted with new business scoping efforts, resulting in the acquisition of 4 clients.
- Partnered with 2 designer teams to take client wireframes from conception to implementation.
- Worked in an Agile, collaborative environment to receive design requirements, peer program, and test applications.
